

## National EMS week begins May 16

*Bringing together communities  
and medical personnel*

JOURNAL STAFF

National Emergency Medical Services Week brings together local communities and medical personnel to publicize safety and to honor the dedication of those who provide the day-to-day lifesaving services.

Thursday, May 19 has been designated "First Responders Day" and many in Lake Stevens would like to have the community involved in the celebration.

An event is currently being planned to allow Lake Stevens' residents the opportunity to personally thank the firefighters, police and paramedics of this community.

The details are still in the works, but please mark your calendars and watch *The Lake Stevens Journal* for further news.

If you would like to play a part in this thank you day, please contact: Dr. Darlene Castle 425 334-9199 [drcastle@castlechiropractic.com](mailto:drcastle@castlechiropractic.com) or Ruth Fletcher at [FletchersOffice@aol.com](mailto:FletchersOffice@aol.com).
