Showcase Lake Stevens had something for everyone

JOURNAL STAFF

At the Greater Lake Stevens Chamber of Commerce's sixth annual Showcase Lake Stevens, there was something for everyone.

The morning started out with a pancake breakfast. Donations provided much needed funds for The Lake Stevens Family Center.

Volunteers fed dozens of people while raising money for a good cause.

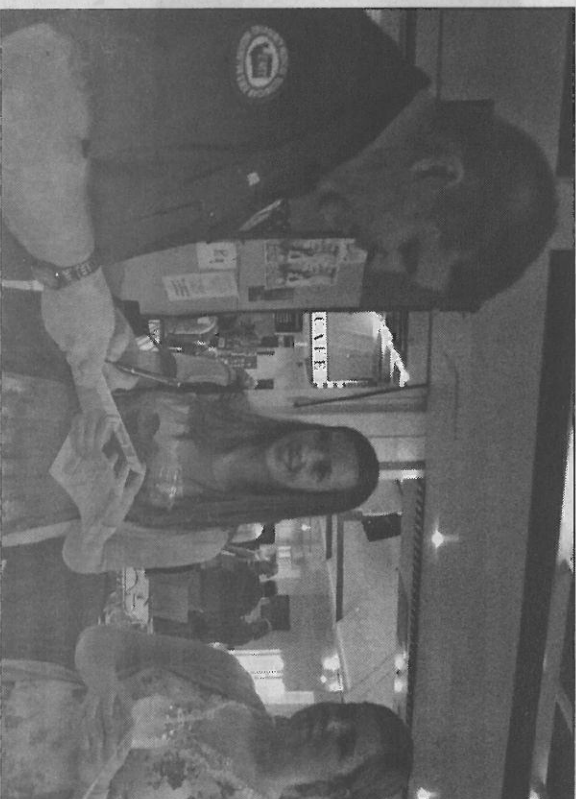

Local businesses set-up booths which provided information and many fun give-aways. Door prizes were also given to a few lucky visitors.

The day's event also included musical talent from around Lake Stevens. Kids choirs sang and dancers showed off their moves for a fascinated audience.

A pancake breakfast kicked off Showcase Lake Stevens.
