Annual National Night Out

JOURNAL STAFF

On Tuesday, August 2, the family center will host the annual National Night Out Against Crime event from 5 p.m. to 9 p.m. on Main Street and North Cove Park.

Participants will enjoy a free dinner and snacks, a wider offering of children's activities, the famous DJ Bob with performances, the third Annual "Guns and Hoses" showdown between the Police and Fire departments, and a host of community resource booths to visit and experience.

There will also be emergency vehicles, racecars, Harleys, and military vehicles to tour. The entire event is free.

National Night Out Against Crime is an event held in 11,000 communities in all 50 states and abroad. Its purpose is to heighten crime and drug prevention awareness, generate support for and participation in local anti-crime efforts, strengthen neighborhood spirit and police community part-

nerships, and send a clear message that our community is organized to resist negative influences and criminal activity.

This year we are calling out to our community for your talent.

During National Night Out we will be hosting Lake Stevens got Talent!

If you have an amazing talent that you can perform in three minutes or less we want you there Aug. 2.

Call the Lake Stevens Family Center to register your talent and get your scheduled performance time at 425-397-7433.

New this year as well will be street hockey on Main Street hosted by the Boys and Girls Club. Call to register your team of five players 18 years or younger to guarantee playing time.

Volunteers are welcome and needed. Please contact Kirsten Mueller at 425-397-7433 for information on how you can help on National Night Out.
